Sogni di dicembr

A Natale, i topolini Maileg si trasferiscono nella casa dei loro sogni - una casa fatta di una torta dolcissima e croccante! Con le guance arrossate e le grida di gioia, la loro casa accogliente si riempie di amore e risate. Soprattutto al mattino, quando i piccoli scoprono che il topo Babbo Natale ha davvero trovato la strada per il loro camino...

Un coniglietto come te

Un amico da abbracciare.

Un amico con cui ridere.

Un amico che trasforma i giorni di pioggia in avventure.

Stringiti forte a questo piccolo amico peloso e ti seguirà fino alla fine del mondo e ritorno.

Il primo banchetto dei neonati coniglietti.

La famiglia dei coniglietti è appena cresciuta. I piccoli coniglietti hanno già conquistato i loro fratelli maggiori, i cugini e i nonni. I nasini si storcono dalla gioia, ma presto tutti sentono un gorgoglio nel pancino. È l'ora di cena ed è il momento di far assaggiare ai piccoli la loro prima cucchiata di zuppa di carote cremosa. Buono!

Un'amicizia pelosa

Una volta, il leone Leo si imbatté nel panda Pandy, che stava masticando un bambù. "Ti va di fare una gara di ruggito?", chiese Leo. "Certo, se porti gli snack di bambù", rispose Pandy sorridendo. Risero e fecero uno spuntino, iniziando un'amicizia speciale, grande come il ruggito di Leo e dolce come il bambù di Pandy.

Momenti magici

La magia sta nello scartare il tuo nuovo amico Malleg. La magia è anche nell'essere la persona che ha fatto il regalo. Entrambi sono momenti magici da ricordare e conservare per sempre.

La gioia di donare

Con il Natale alle porte, gli elfi sono già al lavoro. Diffondiamo quindi l'allegria e diamo loro una mano a impacchettare tutti i regali! Dopotutto, è quello che dicono gli elfi: "Incartare un regalo e darlo con gioia è un regalo in sé, per una persona a cui si è affezionati".
